Dear Friend:

On behalf of the Pottstown Aircraft Owners and Pilots, Inc., may we invite you to become a member of one of the nation's oldest aviation-oriented clubs.

We are headquartered at the Flyers' Roost, an old farm house with pavilions (including tables and benches), shade trees, and pond on the south side of the Pottstown-Limerick Airport. This is the area where our annual Fly-in Breakfast takes place.

Our monthly meetings are normally on the last Thursday of each month, except November and December. Winter meetings are held at a nearby restaurant, where you may be tempted to dine prior to our 8:00 pm meeting. Or you may prefer to just attend our meeting held in a separate room set aside for that purpose.

During spring, summer, and early fall, our members meet at the Flyers' Roost.

Some of us stop by for our Wednesday evening "drop-in." There are volleyball, quirts, horseshoes, baseball, fishing, airplane watching and, as always, hangar talk—no holds barred. Yes, you can taxi your plane over to the Flyers' Roost to hang out.

We offer three memberships: Regular, Sustaining, and Associate. Regular is a general membership. Sustaining membership allows anytime access to the Flyers' Roost and the facilities for your reserved-time function at no cost. The Associate Membership is for our aviation enthusiasts who haven't soloed an aircraft. Each membership allows anytime access to the Roost, but only Sustaining members may have a key to independently access the facility.

We members are very proud and privileged to have the Roost available to us and would be honored to have you join us as a member.

Mail this form with your payment to: PAOP, Inc., P.O. Box 140, Devon, PA 19333

I am interested in joining. I have indicated the type of membership below.

- Regular: Dues \$15.00/year + Initiation Fee \$5.00 for the first year of membership
- Sustaining: Dues \$25.00/year + Initiation Fee \$5.00 for the first year of membership
- Associate: Dues \$15.00/year + Initiation Fee \$5.00 for the first year of membership
