

**PAOP DINNER, ANNUAL MEETING, AND ELECTION  
JANUARY 25, 2007 AT THE SLY FOX**

**Election Time**

As prescribed in PAOP's Constitution and Bylaws, the annual meeting will take place on January 25, 2006, at The Sly Fox in Royersford at 2000.

The principal items on the agenda are the election of the Board of Directors and officers, a report by the president on the activities of the year, and a financial report on the entire year.

The nominating committee, this year being Mike Sehl, has presented the following slate to the board.

Candidates are:

<b>President:</b>	Barbara K. Zeigler
<b>Vice President:</b>	Michael Sehl
<b>Secretary:</b>	George Yarzabek
<b>Treasurer:</b>	Eugene H. Poppel
<b>Directors:</b>	
Ethel Bailey	Joseph Horvath
Randy Dotterer	Anthony Puco
Dennis Galvin	

As past president, Russell Appler continues in the post of President Ex-Officio.

In the event that the slate is not elected, a second ballot will present a revised slate. Nominations will also be accepted from the floor.

While we need only eight members present to constitute a quorum (5% of the total membership), it's a good time to come out and get reacquainted with each other after the holiday break.

**Flying Practically Pole to Pole**

Flying, and adventurous flying to boot, has been in PAOP member Hal Baumann's blood for years. In World War II he flew C-47s to tow gliders, drop paratroopers, and bring supplies to the troops in Europe. Often landings were in pasture-sized fields so short they called for a ground loop to get stopped and so close to the front that they had to duck 60 mm mortar rounds. He even brought fuel in 5-gallon jerry cans for Patton's tanks as he drove across Europe in 1944. In better times, he and Mildred have flown their plane from the Arctic Circle to the tip of Brazil, and most places in between.

At our January 25 meeting, he'll tell us about a trip to Alaska in the Cherokee Six. The tale is inspiring and the visuals are awesome.

Join us for dinner at the Sly Fox in Royersford before the meeting. We have a room reserved. They don't charge us for the private room, **but reservations are a must. Call 610-948-8088** and tell them you're with PAOP.

**Bringing Aviation to Our Local Schools**

Once again we'll be talking to young students about aviation. This time, we have been invited back to Upper Providence Elementary School. Volunteers are needed to make some of the presentations, and help set things up, answer questions, etc. It's scheduled for April 13. Last year, it was a blast, and you can be part of it. Contact Barb Zeigler to pitch in.

**Doing the Jersey Bounce**

This time of year, we don't get too ambitious with our flyout plans. In fact, a nice brunch on a cold January day in a cozy, old-fashioned diner comes to mind. What luck! That's just what we'll find at Sussex, NJ (FWN) on our January 28 flyout. Let's gather at Penn Airways at 0900 for 0930 takeoff. That will give you time to pre-heat, if the weather actually does get cold. It's 72 nm, and from there it could be an easy shot to do some touring, like the Hudson corridor.

Guests are always welcome, as long as seats are available. If you will have an extra seat, or if you need a ride, contact Gene Poppel 610-647-1332 or genepoppel@comcast.net.

**A Dash to Delaware to End the Year**

It must have been something in the weather, or maybe just part of folks' holiday celebrating, but we had a good crowd for the December 31 flyout to Georgetown, DE, at Sussex County Airport. Table for 17 please! In fact, they gave us our own room. It's not that we were frightening the regular customers, they just wanted us to be comfortable. It took 8 planes to get us there, and we saturated the regular parking area.
