

Pottstown Aircraft Owners and Pilots, Inc.

Dear Aviation Enthusiast,

On behalf of the Pottstown Aircraft Owners and Pilots, I invite you to become a member of one of the nation's oldest aviation-oriented clubs!

PAOP was founded to give pilots and aviation enthusiasts a place to gather and further their aviation and social interests. Today, PAOP has diverse activities, including:

- Dinner meetings featuring speakers on topics of aviation and cultural interest
- Provide aviation support to community groups, schools and youth organizations
- Summer outdoor dinner meetings that bring members and their families together
- Monthly fly-outs for brunch and/or museum visits
- Monthly e-newsletter
- Online forum devoted to topics of aviation interest
- Our annual Fly-in breakfast known 4 the community for over 50 years

We are headquartered at the Flyers' Roost, an old farmhouse with pavilions, picnic tables, benches and shade trees on the south side of Heritage Field in Limerick, PA. This is the location of our annual Fly-in breakfast and where our summer meetings take place.

Our monthly meetings are typically on the last Thursday of each month, except November and December. Winter meetings are held at a nearby restaurant where you are welcome to dine prior to our 8:00 pm meeting. Or, you may prefer to just attend the meeting.

Membership allows participation in all PAOP activities and a reduced price to use the Flyers' Roost for your own private functions.
