Regular Monthly Meeting

The May meeting will be held Thursday, May 27 at the **Flyers Roost**. This will be the first of our meetings at the Roost for the 2010 season. This month we will be serving sirloin steaks on the grill. The official meeting starts at 8:00 PM. If you are planning to join us for dinner, it's cocktail and munchies at 1800 and the grill should be ready to cook at 1900. For Reservations please call Ethel Bailey at 610-933-4422 or 610-495-6366. Please come out and join us with for a night of fun, food and friends.

FLYOUT

Last month's scheduled flyout was again foiled by the weather forcing the group to resort to Plan B. Eight of our members again met at the Limerick to enjoy each other's company and a hearty breakfast.

LATER IN SPRING IN THE HUDSON VALLEY

We'll try again, since many of the usual folks aren't available for the planned flight to the New England Air Museum. Fly into the Hudson Valley for breakfast at the Perfect Landing the Café at Sky Acres Airport (44N), Millbrook, NY, on Sunday, May 23. Greet the green of spring, while you enjoy the view of the river and the beginnings of the Catskills—a view that inspired a generation of artists known as the Hudson River School. After you eat, consider taking the exciting flight south along the Hudson. View mansions like the Vanderbilts' and Hyde Park, and take in the sights of West Point and then Manhattan as you pass through the Hudson River Exclusion (take the online course first, for latest procedures). The terminal building, a converted dairy barn, houses the FBO, a pilot shop, and the café. Self-service fuel is available. Check out airport details at www.skyacresairport.com.

We'll gather at Penn Airways at 0900 for 0930 takeoff. Be prepared for whatever surprises May weather can bring. Take a non-pilot along, for an introduction to the world of general aviation—the fun and camaraderie.
